***Allowable Subject Matter***

All pending claims are allowable over the prior art. Applicant is requested to cancel all withdrawn claims and to correct the objection to the specification indicated below.

### ***Specification***

The disclosure is objected to because it contains an embedded hyperlink and/or other form of browser-executable code. See pages 13-16, 39 (line 6 and 16), and 40-43. Applicant is required to delete the embedded hyperlink and/or other form of browser-executable code. See MPEP § 608.01.

**Note:** The Examiner contacted Applicant's representative and spoke with (ASHTON, WESLEY) to see if an Examiner amendment could be done. Applicant's representative indicated that it would be better to send the objection in writing so that it could be fixed properly due the large number of embedded hyperlink involved.

### ***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
